## HACK Worldgroup 3.30 NT MajorMUD V1.11p Dialsoft Control FU Glo

Arginine vasopressin and response to amiloride in experimental salt-sensitive hypertension. Arginine vasopressin (AVP) and sodium/hydrogen ion exchange play important roles in regulating arterial pressure and fluid volume. To test the role of AVP in the response to amiloride, we gave amiloride (2.5 mmol/kg per day x 5 days) and various doses of AVP (2400, 3600, 4200, and 4800 ng per day) to male spontaneously hypertensive rats (SHR) that were fed a normal diet. Amiloride lowered mean arterial pressure and produced an increase in extracellular fluid volume, but did not affect the weight gain. Blood volume was unaltered. AVP lowered arterial pressure, but there was no effect on extracellular fluid volume. The increase in extracellular fluid volume, but not in blood volume, was blunted by AVP. AVP did not alter the responses to amiloride. We conclude that AVP decreases arterial pressure and increases extracellular fluid volume in salt-sensitive SHR, but that the effect of AVP on these responses is independent of AVP's effect on salt-induced sodium retention.

The Light Fantastic and the Dark The Light Fantastic and the Dark is a compilation album by English psychedelic band The Beatles, released in 1992 by Apple Records. It collects previously released material on four seven-inch singles (B-sides included), a bonus track and a new track. The title refers to a lyric in a song by Charles Manson's The Family. The album was compiled by Barry Walters, head of Apple Records. It was released on Apple only, and was available exclusively at Apple's shops and other Apple emporia at the time. The album cover artwork was designed by The Beatles (the only time they designed their own cover art). The songs One track, "Suzy Creamcheese", was originally recorded with this title as a B-side to the "Cry Baby" single in 1967. The recording was re-titled "Suzy Creamcheese", and remixed for this release. This song was issued as a single in India in 1970. Another song, "Once Upon a Long Ago", was recorded for the BBC's 1966 series of The Beatles, and features Paul singing "Once upon a time, there was an ancient kingdom..." before 6d1f23a050
